STUDENT BODY

Administrative Address

Dear Students,

It is indeed a pleasure and honour for me to grace the pages of this yearbook and to offer some thoughts on this past year at John Paul II.

It is my earnest wish that the past year has been one of success and personal fulfilment. I trust also that a reading of this annual will evoke pleasant and lasting memories of friendships gained and nurtured and of accomplishments attained.

That you have this memento of 1994-1995 is the result of much hard work and dedication by the editorial staff of the yearbook and of the faculty advisors. I congratulate them and thank them for the investment of time and talent.

On behalf of the entire teaching and support staff, may I extend our best wishes and our prayers for your continued success.

Sincerely,

Robert D. Mitchell
Principal

Presidential Address

Dear Students,

This year's yearbook is shaping up to be another great one. The unfortunate thing about these yearbook addresses is that they are written in November. That makes it difficult to sum up the year from any perspective.

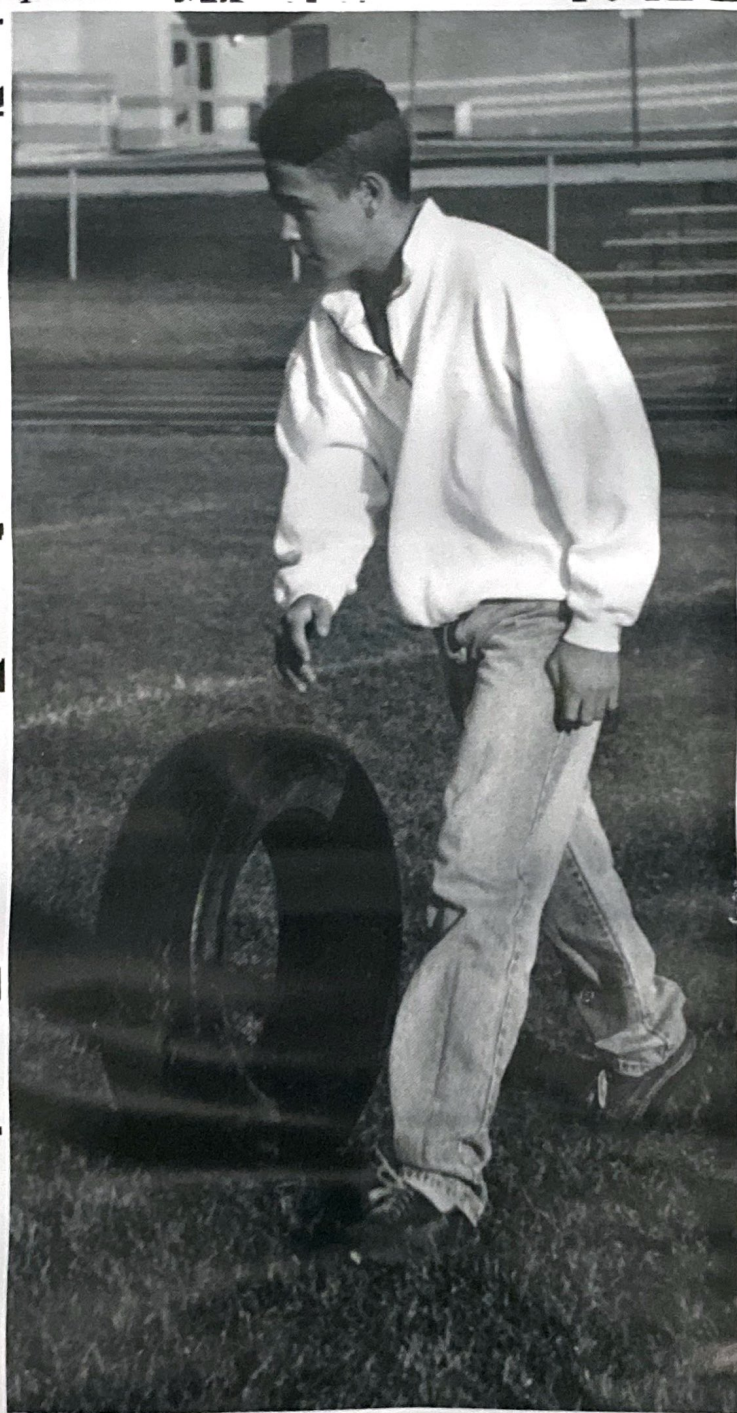

I hope, however, that this yearbook captures all the great memories we shared during another great year at John Paul II, and that it will help us to remember who our real friends are, and the good times we had together.

I am very proud and honoured to have served on JP II's Student Council and hoped that I helped make your year a good one. Special thanks to all those on council for making this another successful year.

In closing, I would like to congratulate the entire yearbook committee. I'm sure the hard work put forth by the yearbook staff will be brought out in the following pages of this book of memories.

Sincerely,

Tom Regier
Student Council President

The First Day of School

The first day is always total chaos; being overwhelmed by the labyrinth of hallways and stairs, shuffling from class to class in vain search of your teachers (which is like moving about a megalopolis without a car).

Then, halfway through the class, you discover you are in the wrong place and are forced to leave with about twenty-five pairs of eyes staring at you as if you were a complete idiot.

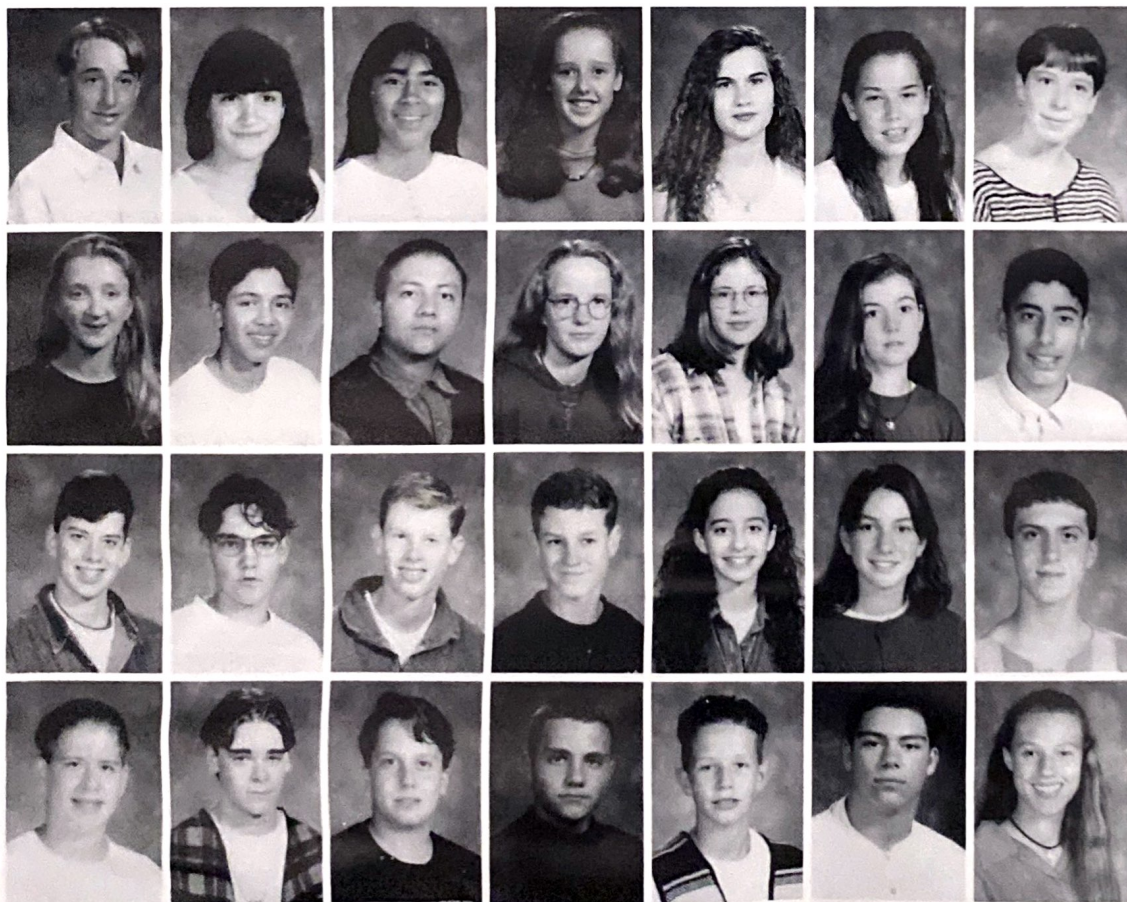

Finally, after the ages of being confined in class finally come to an end and lunch begins, you suddenly find yourself lost in the atrium in the middle of a crowd where you know nobody.

Then the hours of school are done at last and with relief you drag yourself home. After all, tomorrow won't be so bad. You now know that there is only one atrium and there is a parking lot in front of the school, so you shouldn't get lost as much.

The next day starts off with a discovery that your locker combination has been permanently erased out of your memory.

Lockers

I was walking through the halls of our school today and you wouldn't believe what I saw. Woman in bikinis, men in underwear and a happy family camping; right in our own school. Yes, lockers people. They're full of scantily clad super models, both male and female, happy memories, jokes and other memorabilia. Why is what I ask? A statement of sorts. I doubt it. I think it's to relieve boredom. What better to wake you up between classes than Kathy Ireland smiling right at you. Oh, Tom Cruise for the women out there. Some people on the other hand seem to enjoy shocking themselves awake with a smell or an avalanche of books falling on top of them. Whatever the choice, lockers are a popular way to express one's self. Each locker has its own identity and serves as such to each individual.

Behind Closed Doors

“What really goes on behind the doors of a JPII girls bathroom?”, you ask? The sacred ritual begins each morning and in order to get a good mirror position, punctuality is a must. Waltzing in at 8 am to actually use the facilities, a girl will find herself engulfed in scents of perfume, body spray and hair products. Once she has sifted her way through the mist, what she sees are 20 girls striving for positions in front of the mirror, using elbows, teeth or nails to get a spot. Females emerge from this area, perfectly groomed and males are never the wiser to the struggle that occurred.

The girls washroom is not a pretty sight and for this reason, no picture is available. Here are some girls: post washroom.

Lucan Bus . . . What Else??

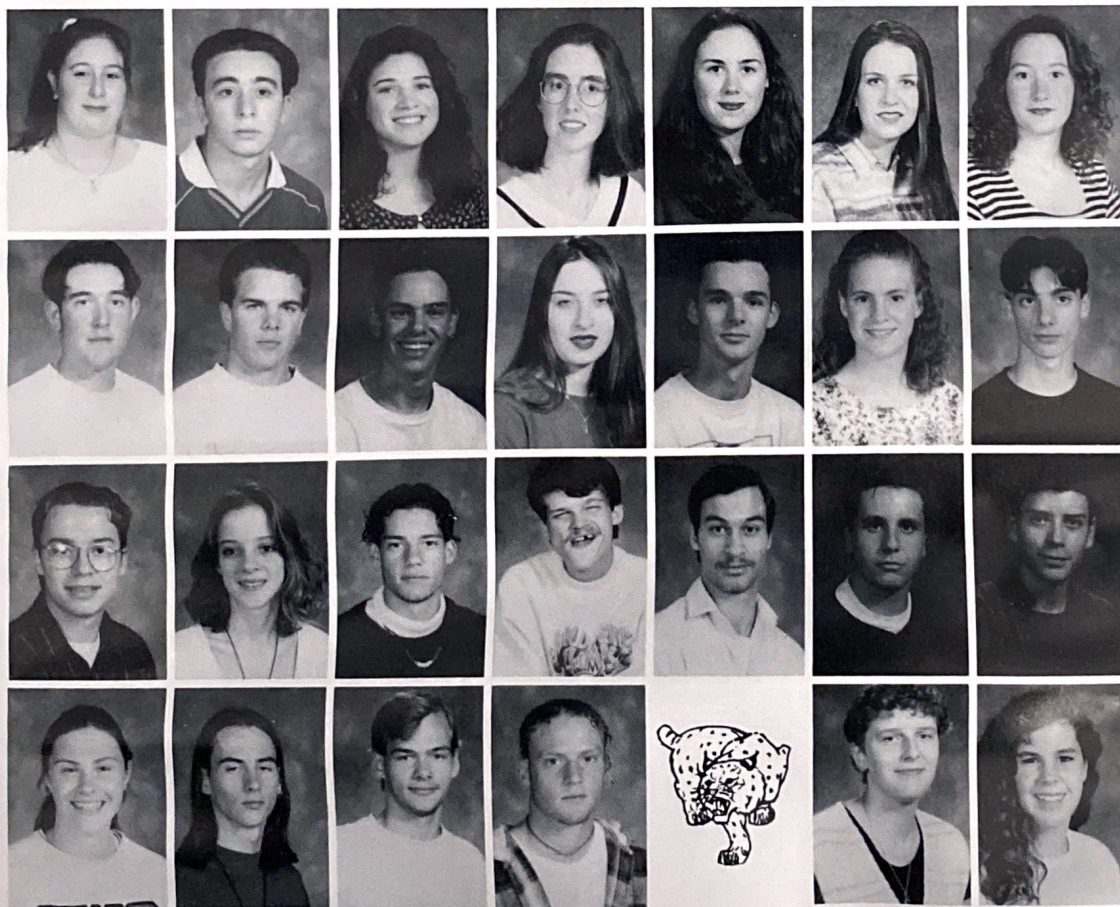

"Late slip?" demands the teacher of the student who has just entered the class without explanation. The average student would be worried right now, but not this one. He has no need to worry. He's one of those respected students from . . .

"Lucan Bus," he states, putting his feet up on the desk. The soft chatter is replaced by stone silence and a few gasps. Everyone knows . . .

"Oh, I'm sorry," the teacher apologizes, "I should have known -- I -- I'm so . . .," she stutters, trying to think of some excuse.

"Hey," the student interjects, raising a hand, "don't worry about it. Just don't let it happen again."

The Midterm Conspiracy

Midterms. The word evokes fear in the heart of the bold and the faint hearted alike, leaving them to wander the halls in a state of calamity, wondering why, exactly that all four of their teachers elected to subject them to midterm testing on the same day. Midterm WEEK? It's all a lie.

But students survive. They carry on. They live on. No thanks to any of those conspiring teachers, however.

Melissa Leonard and Sabrina Lombardi, caught on an atrium bench, cramming hard for midterms.

The Truth About Spares

"What do people really do with their spares? It depends mostly on which period it is. If you have a spare during period one, you might be found snoozing in the library.

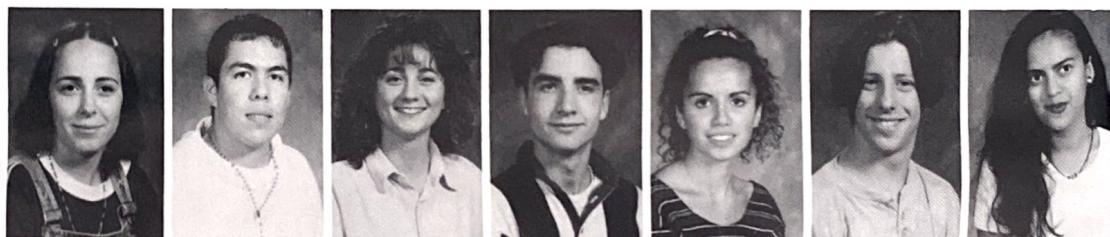

If your spare is second period, you might be found sleeping off the effects of your first period class, or in the library (if you can get in) doing the work that has to be done for third, fourth or fifth that day.

Third or fourth spare: need I say more? For those with fifth spare, time for the trek home to get an early start on . . . their afternoon soap or maybe cartoons.

Principle for the Day

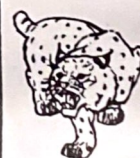

Top five list of things that you could do if you were principal of JPII for a day:

5. Play Sega Genesis games on your office computer.
4. Replace all the plants in the office with chia pets.
3. Disconnect the phone in the attendance office as a cost cutting measure.
2. Get Mrs. MacDonald to adjust your transcript so that your marks will be high enough to get into Salvatore's School of Hair Design.
1. Make the Vice Principals declare a general amnesty on skipping.

1994-1995 was another busy year for our student store 'Paws Here'. Price Is High

Over 40 Seniors brought The Price Is High program to 300 Grade Nines this year for intense small group discussions. The issues included values, parents, drinking & drugs, peers, and making good decisions. Coached by 10 staff members, the seniors learned a lot about listening, leadership, and hanging together for the long haul. Skits and food round out the year's activities.

Library Club

This year's Library Club was larger than ever thanks to the enthusiasm of its new members! Faithful student volunteers greatly helped the library staff during the BUSY lunch-hours and after school by assisting as door monitors, reshelving books, helping out at the circulation desk, and assisting in the overwhelming task of barcoding the entire library collection. The students' help was deeply appreciated this year. As well, our thanks go out to all those who generously donated books to our library collection, and to the volunteers from our community who faithfully gave their time and expertise to help our school library run smoothly and efficiently.

Crime Stoppers

The JP II Crime Stoppers was in its inaugural year in 1994-1995. The purpose of the group was to introduce the program to JP II and to make students aware of the fact that they too can be a part of helping to make JP II a safe place to be. The members met to draw up a constitution, plan a campaign of introduction, elect the executive, and look at ways to make the program work. The aspect of anonymity was stressed in the set up of the announcements include the phrase "you don't have to identify yourself". A cash reward system was implemented with the money coming from student council.

The Members of the Santa Claus Parade float committee paired up with the JP II Cheerleaders, to make the JP II float a memorable one.
 Special thanks to all those who participated!

Santa Claus Parade Float Committee

The theme for this years Jaycees Santa Claus Parade was "A Childs Image of Christmas". The John Paul II entry in the spectacular depicted two funny looking children perched on their bed which has been lifted high on a pile of presents following Santa's annual visit. The Santa Claus parade is well attended and this activity is a good opportunity for John Paul II become involved in community activities.

Thanks to Albi, Jamie, Owen, Derek, Dave, Chris, Tony and all the other students who worked hard on the float. Particular thanks to Ms. Wand who brought her artistic talents and Christmas tapes to work sessions every night. Finally, thanks to McKay Cocker Construction for the use of their truck and to Mr. and Mrs. Downey, who volunteered to drive the truck every year.

Green Focus Club

The Green Club is a newly formed club which was started during second semester. A fund raiser was held, an Art Exhibit on Parent-Teacher night. Proceeds were donated to a Beluga Whale.

Jaguar Paw Prints

It has been five years since we formed the Jaguar Paw Prints Club, during this time members have combined work & fun to bring the school a newspaper which is both informative & entertaining.

Each publication has included sections titled: **Life at J.P.II**, which brings the news on school activities & events; **Writer's Block**, which focuses on creative writing; **Reflections**, our section devoted to spiritual writing and scripture; **Dear Mick**, in which our very own school-mascot gives advice; **Sports**, as well, as our wonderful photo-section titled **The Way We Are**. Thanks to the many creative talents of our students, the Jaguar Paw Prints has also published word-games, horoscopes, cartoons and artwork.

Special thanks are in order to original members Eva Bartha & Mellissa Rajpal for their outstanding contributions and commitment over the past five years.

Catering Club

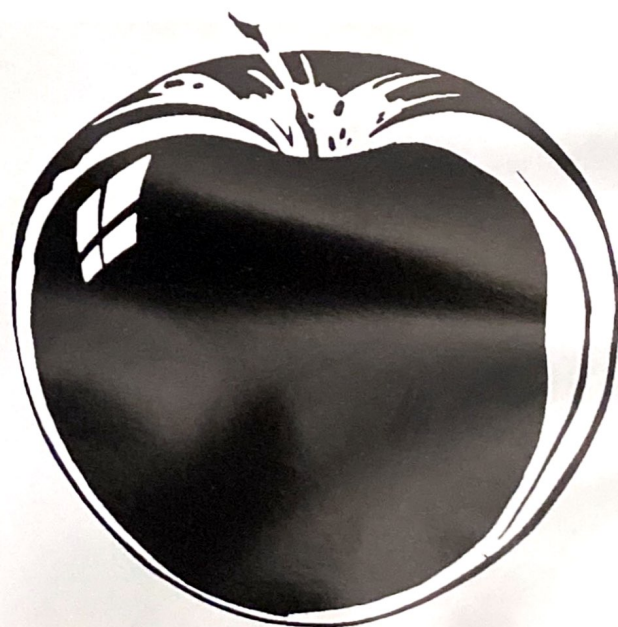

Foods students prepare and serve for functions throughout the school year. Awards Banquet, P.T.A.C. nights, Christmas and Easter Celebrations. Monthly they regularly make cookies for the Social Hour after school for teachers. Work awareness/CO-OP reception is catered to Consider the *Hospitality Course* of the *Technical Department* to join.

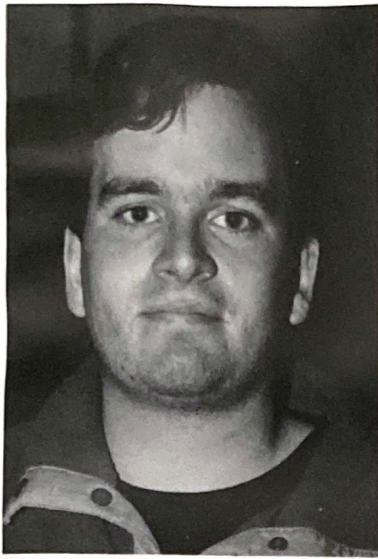

Celebrating Differences

The Celebrating Differences Committee is in its second year at John Paul II. It has been a forum for the exchange of vital ideas throughout its beginning stages. The committee works from a philosophy of promoting unity within our school - a unity that is enhanced by the variety of cultures and perspectives each person brings to our surroundings.

The London Multicultural Youth Association has been very involved with our students to raise awareness and provide opportunities for students to question, discuss, and enjoy their diversity. Through each project we work towards the fullness of celebration by appreciating who we truly are as a community.

New members and different ideas are the life-blood of the Celebrating Differences Committee so consider contributing to whatever degree you are willing and able.

Computer Club

This year the John Paul II Computer Club attend the ECCO Computer Programming Contest. John Paul programmers spent weeks preparing for this event. John Paul II sent three teams, two of which finished first and second. Both teams went to the regional championships. Both teams worked very hard. Unfortunately, neither team advanced. This has been a good year for the John Paul II Computer Club, special thanks go to Mr. Baran for all of his time and support.

Chaplaincy

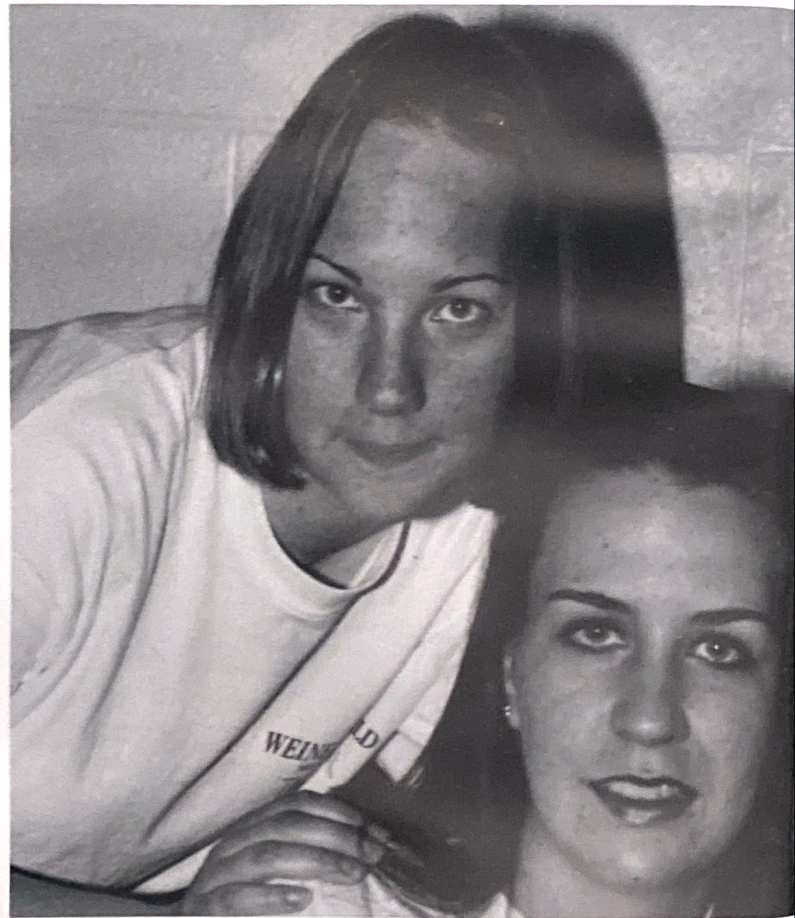

Mrs. Durand, Father Mark Wildgen and Mrs. Bell (our new addition) kept happily busy with homeroom Masses, school Masses, paraliturgies, reconciliation days, Ark Aid and Share Lent Collections, and most importantly "beings there". Our Peer Support program continued to make an important, valued contribution to our school. The establishment of a Loss Group and return of the drop-in group offered our students group opportunities to develop new friends and new ideas. Many people touched our lives this year. Special thanks to the chaplaincy team for their support. Thanks you to Mr. VanDommelen (alias Mr. Mission Donut) for continuing the sweet Thursday tradition. To all members of our JPII family - we wish you all the Lord's blessings!

Yearbook

Co-Editors

LEFT TO RIGHT: Yvonne Tourand and Nichole Daly

From the Advisors

This year the chief editors of our yearbook were Nichole Daly and Yvonne Tourand. These two dedicated, talented, artistic types worked endless hours to produce a book for everyone to enjoy and appreciate for years to come. The number of decisions which had to be made on every aspect of the book was an enormous task to undertake. Every layout, every picture, the type of print, the colours, the shading of backgrounds, the amount of typing, the number of people who had to be contacted for information, the meetings and last but not least, the deadlines. These ladies survived all that was placed in front of them and we for two thank them for all their efforts in producing such a book of outstanding memories.

From Yvonne . . .

It seems impossible that the yearbook is actually finished. But it is. And I believe Nichole and I have created a yearbook to be proud of and we hope that you enjoy it. We worked very hard to put together 'a year in our lives' and I hope that when you look through this book you are pleasantly reminded of this year at JPIL.

Special thanks go to all the people who helped us create this book, all the friends teachers and family who contributed time and effort to make this a special yearbook.

Personal thanks go to all the people who have listened to me cry, scream, moan and complain since September . . . and haven't actually killed me yet. Thank you for your support.

This has been a year of beginnings and endings with all the stuff in between. I hope this yearbook has done a good job of representing a year of our lives.

Yvonne

From Nichole . . .

Well Vonne, we did it! Bringing this yearbook to you, the students of JPIL, has been the single most important goal of Yvonne and I during this past school year. Speaking on behalf of both Yvonne and myself it is an honour to bring this book to you. It took a great deal of hard work and dedication to complete this book of memories.

A special thank-you goes out to all those who've lent a helping hand throughout the past year. It was a tough year, but thanks to several generous people, we were able to pull this yearbook together.

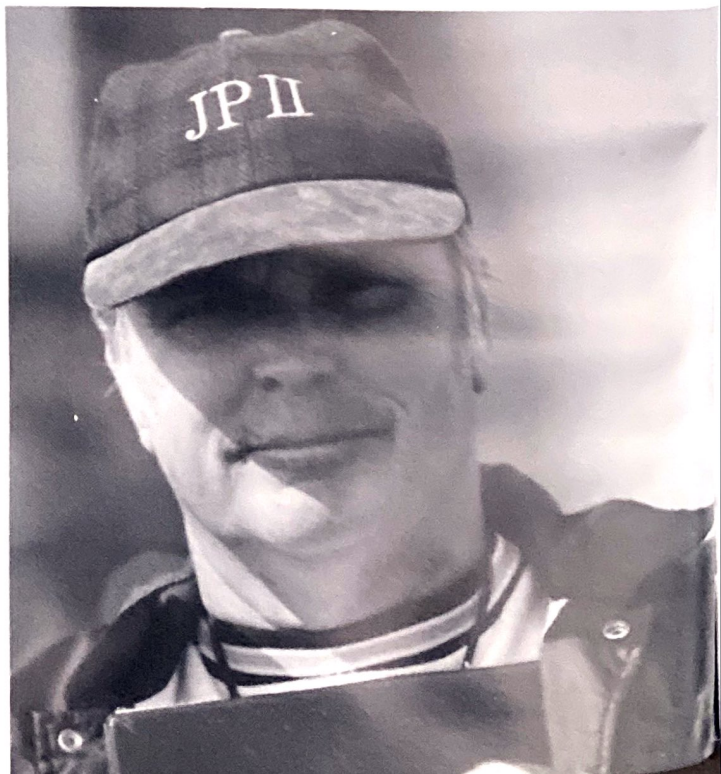

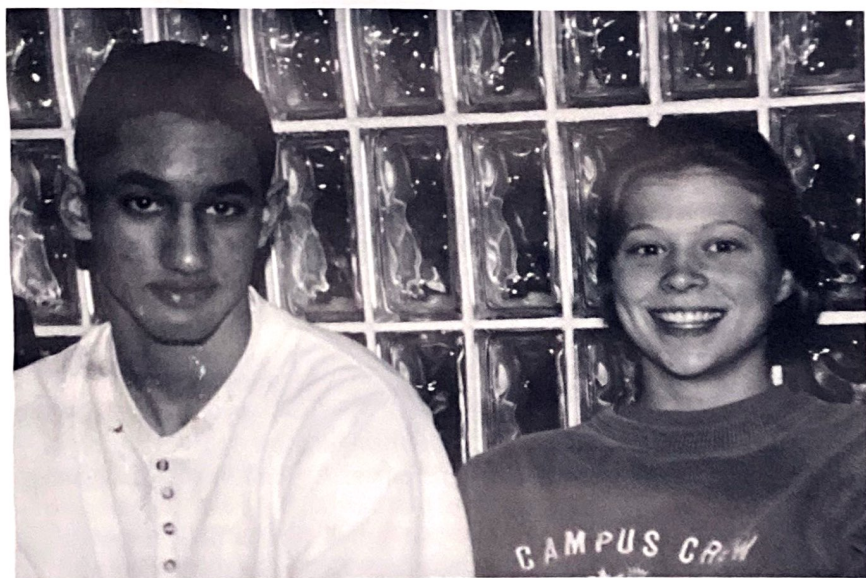

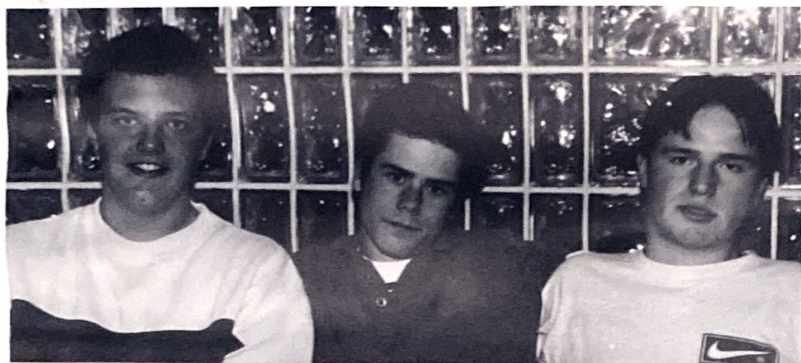

We chose to pick a "visual" theme for this year's yearbook, a theme of the school and the students who attend it. This theme was chosen because we felt it was the way to best represent the students of John Paul II.

In closing, an extra special thank you goes to my parents and Jeremy. You guys helped me through a very difficult year, thanx for putting up with and supporting me!!

I Love You Guys!!!

Tough year but the Jags hang in there

Senior Boys Basketball

This was a very young and inexperienced team. We set a goal of making the playoffs and accomplished that. However, the Senior Jags lost in quarter finals to CCH. Team highlights of the year were: 1) an overtime loss to Windsor Herman in the UWO Purple and White 2) making it to the final in the Walkerton Tournament. Everyone is returning to next year's team so the future looks good.

Junior Boys Basketball

The team had a tough year and finished the season with 3-11 record and did not make playoffs. They were in most games and put a scare into eventual league champs South. Overall it was a season of development for the thirteen players.

Midget Boys Basketball

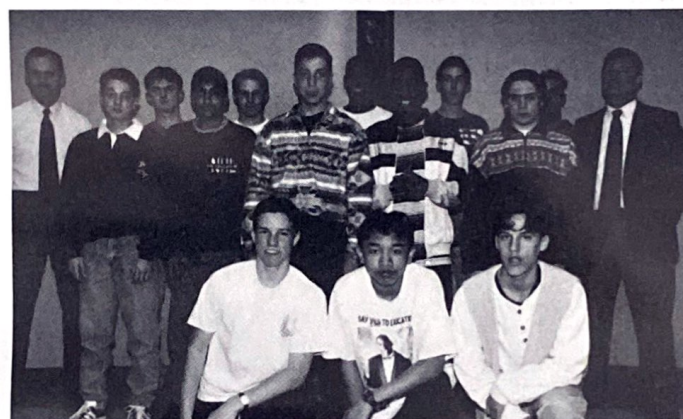

The Midget Boys played hard this year and lost a bunch of close games. They finished league play at 8-7. The guys also performed well in tournaments. In the first round of the playoffs they beat Regina Mundi but unfortunately lost by 3 points to South in the next round.

Girls Basketball Has Season of Ups and Downs

Midget Girls Basketball

This year's Midget Girls Basketball team had a real yo-yo of a season. There were times this year when the team looked good enough to beat anyone in the city. But there were also times when the team was so hobbled by injuries that we weren't sure if we could even field a team.

Unfortunately, there were more of the latter times than the former. Key injuries to Tanya Gonzalez, Heather Montag, Jen McMillan, and Sara DeCandido kept the team from reaching its full potential.

Nevertheless, the team played well despite the problems and perhaps more importantly, the girls had fun. Thanks for working hard all season, ladies. Your coaches.

Junior Girls Basketball

The Junior Girls Basketball team was quite successful given the inexperience of its members. The Junior Jags were in six tournaments throughout the season, in which they were winners of one, silver medalists in three and consolation champs in another.

At playoff time the girls lost to eventual city champions the Central Ghosts in the semi-finals by a mere three points. Good luck to those players moving on to senior next year.

Girls Volleyball

Senior Girls Volleyball

A slow start due to three injuries but the girls fought hard and kept a good attitude to place us in a playoff position. The girls were defeated in the quarter finals by a top place team but the match was very close in scores. At the Sarnia Northern Tournament the girls clenched a silver medal fighting right to the end. Team cohesion and positive attitudes kept the team on a high all year making the 1995 season most enjoyable for all.

Junior Girls Volleyball

The junior girls had a very successful season. The girls started off by winning their first tournament, early in the year. The girls participated in many tournaments throughout the year, and represented JPII well. The girls worked hard and had lots of fun, but came up short during playoffs, and were not able to pull ahead of the top teams. Good luck to all the players in the future.

Midget Girls Volleyball

Our volleyball team was totally keen,
With-players like Sam, Theresa, and Jolene!
Mechback and Wand coached from the bench;
Pirocchi and Burton consulted in French!
We won some matches, we lost some too;
But Jenn and Shannon did all they could do!
They served, they spiked, they cheered like hell,
Along with Sara, Tanya, and Michelle!
The Jags crushed the Trojans, the Cougars, the Flames;
Hazel and Erin were tough little dames!
Ella was awesome; Danielle was supreme,
And then there was Stacie, our serving machine!
This team has great promise-their futures' look bright,
Especially Heather, who loves to smash lights!

Boys Volleyball

Senior Boys Volleyball

The Jaguar Senior Boys Volleyball team experienced a rebuilding year. The team started the season slowly but picked up the pace towards the end. The team fared well in tournament play, advancing to two semi-finals and placing second in the first annual John Paul II volleyball tournament. Due to some narrow defeats during the regular season, the Jags failed to advance to the playoffs. A big thanks to coaches, Mr. Clancey and Mrs. Shelton, who have great expectations for next year. Honourable mentions go to our graduating players, Sean Casaubon and Jeff Baljko for their hard work and determination. Good luck to everyone next year.

Junior Boys Volleyball

There were many ups and downs this year despite the extended talent on the team. The boys played well in Stratford and Chatham, and won a silver medal at the St. Thomas Aquinas Tournament. The boys ended the season with a tie-breaker for a playoff position. The tie-breaker against Wilfred Laurier went five games and the Jags lost by a close margin of 3 points. Overall it was a good season and we are proud of the Junior Boys Volleyball team.

Fine Examples of That Jaguar School Spirit

This was a busy year. We have cheered football and basketball. We also cheered at a Canadian Tire Rally. This year has been dedicated to growth. Each of the team members are fine examples of school spirit. Good work team!

Outstanding Performances

Cross Country

This year's fifty plus member team competed well and did themselves and their school proud at several regular season invitational meets. Highlights of regular season include several top three team performances and a girls' first place team finish at the Fleming Invitational. These meets prepared the team well for The London Conference Championships where the Jags finished second overall, behind Banting. Outstanding performances at London Conference allowed the Jags to qualify the entire team to WOSSA. At WOSSA the team continued to overcome the odds and managed a fourth place overall finish out of over seventy high schools in WOSSA. In WOSSA, only the fittest survive, and Shannon Pettypiece was left alone to carry the hopes of the team on to OFSAA. Shannon finished an outstanding 21st in the province, making her the first on the team to crack the top 25. Shannon's performance put the finishing touches on another successful season for the Jags.

Track & Field

This year's Track and Field team, led by returning head coach

Ms. P., field coach Silvia Kontra and distance coach Mr. DeDecker had outstanding performances at London Conference, WOSSA, OFSAA West Regionals, and OFFSA.

Notable performances came from Nadia Schmiedt, who on her way to OFSAA set a new interscholastic (Canadian High School) record in the 400m hurdles at the OFSAA West regionals in Tillsonburg. Nicole Schmiedt also had an outstanding season. She cleaned up in the 400m and 200m all the way to OFSAA. Kevin Williams surpassed 6 metres in the long jump to place 8th at OFSAA Regionals. The Senior girls continued to dominate in the 4 x 100m relay, as they were first at OFSAA Regionals. The relay consisted of Jenn Delaney, Maria Gieson, Heather Scott who substituted well for the injured Laura Amantea, and Nadia Schmiedt. It was a great season for the Jaguars.

We would all like to wish Nadia the best, as she is leaving us to go to Notre Dame on a full scholarship. We will also miss Heather Scott, Maria Gieson, Bunna Phay, and Chris Richardson. We will miss you all.

This was the second year for the John Paul II's Rowing Team. This was a very successful year for us. We participated in 4 regatta's (St. Catherines, Welling, Earnshawe (W.O.R.S.A.) and school boy (St. Catherines).

We liked to thank our coaches, Dave Porter, Wendy Ro, and Debra for all their time and effort. We would also like to thank our staff advisors, Al Findly, Ms. Mackback, Dave Schiller and Mr. Bulsha, for all their support and time they've given to us.

The birds were soaring through the air . . .

Senior Badminton

The Senior Badminton Team continues to travel the Road of Success! After sending a player to OFSAA last year the team had its work cut out for them, if they wished to repeat that success. Winning many individual honors, Mike Paul (men's singles) had an excellent season in tournaments (with two first place honors). He finished third in London Conference and fifth at WOSSA. Jeff and Joanna teamed up to take third in London Conference and bettered that at WOSSA with a first place finish. At OFSAA they placed fifth in the "B flight", thirteenth overall of the Ontario competition in mixed doubles. Many individuals earned personal bests.

Junior Badminton

The winter season was ending. You could tell because the birds were soaring through the air . . . but it was too early for spring . . . it must be the Junior Badminton team. This was supposed to be a rebuilding year for the team. However, there turned out to be many surprises. After an excellent season all of the players performed extremely well in London Conference. Special recognition goes to Hazel Hanlon and Sue Phan who placed fifth overall in ladies' doubles and James Paul who finished seventh in mens' singles. I am very proud of the entire team for their efforts and determination. I really enjoyed being their coach and I look forward to next season. Thanks for a great year!!! Mr. Dallan.

The tennis team exceeded all expectations during the spring campaign. The junior team played very well and just missed making the team playoffs in the London Conference. However, the boys singles player of Shane Beekhoo and the boys doubles of Ryan Simmons and Dean Padavan qualified for the individual tournament.

The senior team qualified for the team playoffs, a first in school

history. The seniors as a team went undefeated. The boys singles player of Jason Dunlop, the girls singles player of Nahrin Mirza, the boys doubles team of Chris DaPonte and Tony Garcia, and the mixed doubles team of Jesse Melo and Becky McKillican all qualified for the individual tournament. A total of six out of a possible ten tennis teams qualified for the tournament. The results of the playoffs were unknown at the time of press.

Once again, our JPII swimmers proved that they have what it takes to compete against London's best! Thanks to many demanding practices, our swimmers performed the best they ever have at London Conference and at WOSSA swim meets. In total, we swam away with several ribbons and three medals. Congratulations to all of our dedicated swimmers!

Boys "B" Curling Team

The "B" curling team consists of some of our rookie curlers and some of our more experienced curlers who have the skill and attitude to assume a leadership role and help the new players. We had a very successful year competitively, finishing third in league play and losing a tough semi final game to Oakridge in the play-offs. More importantly, the team displayed good sportsmanship and team spirit throughout the year.

On behalf of both the coaches, Mr. Cassidy and Mr. Adams, thanks to Jamie Downey, Owen Edwards, Ruben Domingues,

Przemyslaw Koszowski and Phil Santos for a fine season.

Boys "A" Curling Team

This year's squad was a mixture of newcomers and veterans. As a result, the team got off to a slow start but, by the third game of the season the team was playing very well. Despite winning several games towards the end of the season, the team finished out of the playoffs, missing post season play by only one point.

The team can be proud of the fact that they were very competitive in every game and can look forward to next season with optimism.

Great improvements for the golf team.

This year's golf team was comprised by first year players. Despite their inexperience they managed to win two matches and challenge the more experienced team that closely edged us in their victories. Great improvements were made as the season progressed. We look forward to next season with enthusiasm.

Jaguar guys play season "skillfully and with heart"

Senior Boys Football

The senior football team began this year with enthusiasm and hopes of a successful year. After a month of training and preparation the Jags were confident in their abilities to play ball.

The season got off to a shaky start and the guys found themselves fighting an uphill battle that would prove unclimbable. By the end of the season the Jags had earned a record of 1 win and 4 losses.

Individual performances, regrettably, do not reflect the team's results. Each game was played skillfully and with heart.

A special thanks goes out to all of the coaches, on behalf of the players, for their hard work and dedication to the team.

We would like to say thanks and good luck to all of our graduating players. To all those returning next year, we hope you are looking forward to a very rewarding season.

Junior Boys Football

After a slow start the Junior Jags hit their stride in game three. The next three games they outscored their opponents 141-0. The first round of the playoffs was not so bad and the Jags lost a hard fought game to Saunders 9-8. It was a fun year.

Rugby!

The lads this year established themselves as a tight-knit, tough-to-beat team. We had a great showing at the Stratford Invitational and won our division with a 5-0 record. Both the forwards and the backs showed that the way to win is to never quit. A terrific camaraderie was built. Though most people might have their doubts, there are a lot of fine young men assembled here. They pushed themselves to their limits. Thanks to outside coaches Bernie and Kevin for their time, amazing expertise and energy. Well done guys.

Hockey

Hockey!

The Hockey Team was young and enthusiastic. Their inexperience showed during the stretch drive to the playoffs. Despite their hard work the team let too many games slip away and the team fell short and finished fifth. The highlight of the year was the outstanding play of Jami Pizzari and A.J. McCallum and these two players represented the team in the "All star" game. The team will only lose two players to graduation next season and the future looks bright for the Hockey Jags.

Girls Soccer Jags win with "never quit" attitude

Senior Girls Soccer

Suited up in their new uniforms (at last!), the Senior Girls Soccer Team played hard throughout another season in Division 1. Although they had a tough regular season with few victories, the Jags stuck together and gave it their best. The girls showed excellent performances in tournament play, winning the St. Thomas Aquinas Tournament, and playing well against top competition in the Windsor Tournament. Through countless injuries, braces, cases of A-535, and black eyes (Masters), the Senior Girls managed to remain in the first division for next season. Duskocy's big boots, Stock's instinct, Rawling's "Yeah Honey!", and Masters' ability to take a beating will be missed next year. A very special thanks to (Mr.) Martens and (Mr.) Gardiner (Sir) for their great coaching. Oh Yeah! Cool Shoes Gardiner and watch out for the bomb on board.

Junior Girls' Soccer

The girls played ten regular season games and were actively involved in three tournaments as well as participating in a soccer clinic. Characteristic of this squad was their "never quit" attitude -- the true mark of a winner. While several adjustments had to be made these young ladies jumped in wherever required for the benefit of the team. Already we are looking forward to the 95-96 season . . . don't forget the sweet oranges! Have a great summer!

Senior Boys Soccer

The exhibition season saw the team win the Exeter Tournament for the second consecutive year, winning its pool play and then defeating Beal in the Semi-Finals and RMC in the Finals.

During the regular season the team conceded one goal (on a penalty shot) while being one of the most explosive teams in London Conference.

The team won its Quarter-Final game 2-0 against Oakridge but came up short (1-2) against RMC in the Semi-Finals.

Goodbye and thank you to our OAC players: Jack Soares, Sean Casaubon, Sean Weiker, Giuseppe Bambino and Frank Neiva.

Junior Boys Soccer

The Junior Boys Soccer team had another excellent year in which the skill, effort and commitment of the boys brought them the First Division title and then the play off Championship at the Marconi Club with a victory by 5 goals to 3 over RMC after over-time.

The Junior Jags started well by winning the Exeter tournament in late April without conceding a goal. In the regular season of league play the team was dominant, winning 7 games out of 8 and tying the other. Fifty nine goals were scored by the Jags while conceding only two, both of those goals in one game against RMC. 7 clean sheets out of 8 was an impressive record for a defence which always looked strong and was a firm foundation for any success.

Westminster were beaten 5-0 in the quarter-finals of the play-offs and Lucas were defeated 7-0 in the semi-finals by a dominant John Paul team. RMC proved stiffer opposition in the final. After the Junior Jags had taken a comfortable 3-1 lead with excellent goals from Aldo D'Oria, Mark Malerba and Karl Aguilar defensive lapses allowed RMC to tie the game at 3-3. However, the superior skill and fitness of the Jags saw them brush away the Titans in over-time with two more final goals from Mike Kubicki and Jeff Da Costa. This was a victory based on the hard work shown by the boys in the many weeks leading up to the season.

The team scored 76 goals in the regular season and play-offs while conceding only 5. James Welsh and Craig Mazur marshalled the defence while Steve Floyd and Ciaran McCarthy dominated the midfield. Paulo Medeiros and Mark Malerba each scored 13 goals while Aldo D'Oria scored 12. A special mention goes to Karl Aguilar on his return to competitive soccer, culminating with a fine goal in the city final.

Another great year Junior Jags - well done boys.

In Memory

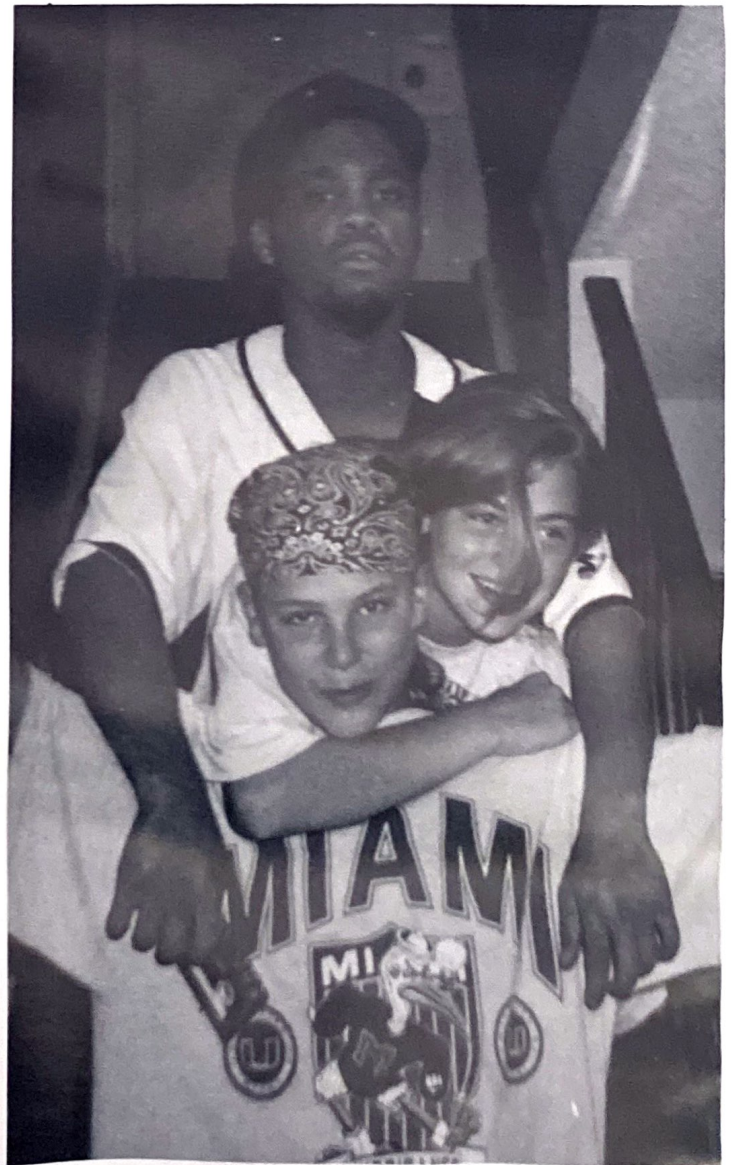

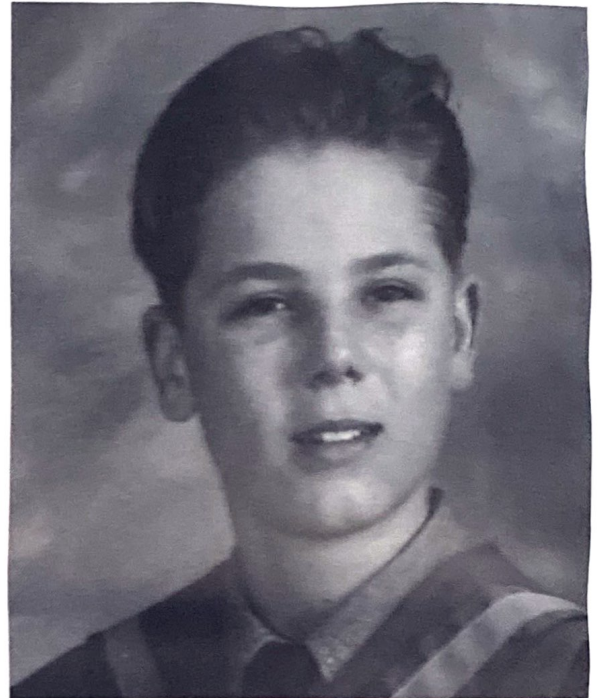

We miss you Ryan,
We wish you were here.
We wish it never happened,
We wish you were still here!

You didn't deserve it,
You were much too young.
You had everything going for you,
but now you're gone.
All we can do is remember
all the good times we shared with you.

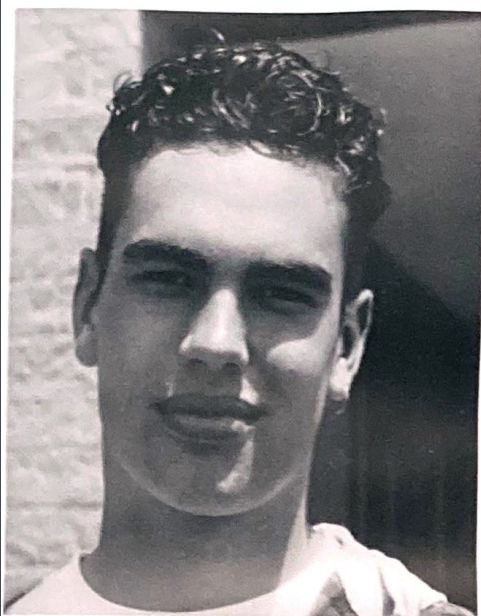

You were always there for all of us,
especially when we were blue.
You were the best at that,
and no one can take your place.

It's going to be hard knowing that
our "Little Tuquelum" is gone.
You will always have a special
place in our hearts.
We are all torn apart
No one will tear our friendship apart
even though you're not here.
You'll always be in our hearts.
We love you now and forever,
and we'll never forget you Ry!

Love from all your good friends.

Can't ever forget Woodstock, the battery blow incident, drives home, partys, gigs, and the crazy talks. Thanks for the memories, you'll never be forgotten.

Rob Capalbo - Rob's a noodle. Rob is a 7-11 burger. Rockin' Rob, we love to listen to you glam out, what? Guns n Roses is in the basement? Rob, are you sleepy? Yeah, poor baby, your soo tired. Spt spt spt chomp chomp chomp spt spt chomp. You look good in fish net stockings.

Radim Dolezal - Hip to the hippie solo artist. Ouch! The glass in your head! Remember the spinning stars on the balcony and the things that went all over it? Legs turn to butter-fly's wings and fly away, a cartoon road painted by a butt, and lots of cinnamon buns. No, just a second! Oh my God . . . I was dead! Always remember: Bruno lives you!

Tyler Hatfield - Tyler came from the country to the big city. Tyler the "Safe Driver" that he is drove down the wrong side of Highbury and putting his van into a ravine. A great person to know and will always have a good laugh. He's also known as the "Bowling King" and loves to midnight bowl. He's in the reserves as well. Tyler's a great guy and a valued friend.

Angelina Herrera - Hey the banana lover! If you don't know her it's a big loss. She is very quiet and shy, but she can be very wild, this girl can party all night long. Like the Choir's 12hr. Dance Party man can she move. She loves to get down she even got on the garbage cans & chairs to dance with her friends. Angela is very caring she is always there for us.

Albin C. Kmet - In the beginning God created Albie. God was not quite sure whether this was good, so he decided to do something else. Obviously, he did something right because what he had created was something he never possibly could have imagined. Albie has been a good friend and a quite unique person. Hope you succeed in life, EH?

Morena Malcelo - When we see her in the hallways she brightens our days with her smile. If you get to know her you will know how sweet she is. If you see her just don't ask about her boyfriend, she'll blaa . . . Morena if you know the answer, RAISE YOUR HAND! Keep up the excellent work, we all love you! Ha T., HK, AR, & MW

Robert Taylor - Prat

John Vandeneuvel - I have been friends with John for about seven years and out of those seven years we have had the most fun of ALL. I guess John's favourite sport would be hockey, his favourite team is the Toronto Maple Leafs. He also has a little nickname, it is the 4H's, it is an inside joke. Anyway he is one of my best friends. Chris.

On the first page of this yearbook
there is a photo of grade nines coming in.
On the final page of this yearbook
there is a photo of seniors coming out.
The pages in between hold a year of our lives.
Some of us are just beginning.
Some of us will make new beginnings elsewhere.
This has been but a year in our lives.
